## **RETROFIT OF ROUTE 30 BRIDGE TO REQUIRE ONE DAY CLOSURE OF LITTLE MOUNTAIN DRIVE IN SAN BERNARDINO**

Route 210 construction will require the widening of the Route 30 bridge at Little Mountain Drive in San Bernardino. To prepare the Route 30 bridge for widening, steel beams will be placed across Little Mountain Drive, requiring a one-day closure of the street on Wednesday, June 29. This closure will allow construction crews to safely place the steel beams along the Route 30 bridge.

Motorists will be detoured around the construction using 30<sup>th</sup>, Miramonte and 27<sup>th</sup> Streets. Access will be maintained to North Valley School and the Little Mountain Business Park south of the bridge construction.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov). SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow for extra time when traveling through the construction area and follow all signs and detour routes.
